- Lift and position the roof onto the wall frames, aligning with pre-drilled holes or supports.
- Secure the roof panels to the top of the walls, ensuring they are level and properly aligned.
- Attach any ridge caps, trim, or vents as specified.

Step 6: Finalize Assembly and Add Accessories

Complete the shed with doors, windows, and other accessories:

- Install doors and windows, ensuring they open and close smoothly.
- Seal gaps with weather stripping if necessary.
- Attach handles, locks, and hinges according to instructions.
- Apply any finishing touches such as paint or protective coatings if recommended.
